*Ḥaqqāni. Madad. Ṭarīqatunā aṣ-Suḥbah wa l-Khayru fi l-Jam‘iyyah.*

Shukr to Allah ﷻ, we had left safely and have returned safely [from the Far East] by the grace and care of Allah ﷻ. As our brothers there cannot come here, we always visit them and fulfill the Sunnah of our Holy Prophet ﷺ.

All Prophets used to travel in order to teach people the orders of Allah ‘Azza wa-Jalla and His ﷻ religion. They know this, but they want a Murshid. That is why we go for these trips for the pleasure of Allah ﷻ. Insha’Allah there is benefit for us and benefit for them as well.

Of course, their language is different. However, as long as there is the way of Allah ‘Azza wa-Jalla and our Holy Prophet ﷻ, there is no difference at all. There is no difference because of the language.

All people who are on our way there have attained Islam from the way of Tariqah. All those Muslim communities comprise of millions of people. The largest Islamic communities are in those countries. The means of them entering the religion are the Awliya and Tariqahs. They and their ancestors benefitted from Tariqah. They were the means for them to reach happiness. And they are going on that way. They have love. They have so much love for Islam, Muslims and Tariqahs.

Occasionally, some people who like mushrooms without roots appear. And there are poisonous mushrooms. May Allah ﷻ protect us. They become the means for their destruction. Therefore, following this way brings benefit to them. And it is the means for us to meet them and attain the virtues and favors of Allah ﷻ. The pleasure of Allah ﷻ is the biggest favor. To be the means for it is a great grace from Allah ‘Azza wa-Jalla.

People are cheated. People are cheated everywhere. They think the way of Islam that people have been following for hundreds of years is wrong. How could they enter it had there not been any Tariqah? Would you be able to make people 10,000km away Muslim by fighting them? No. Light had transmitted from heart to heart, and they became Muslim.

Shukr to Allah ﷻ, the Maqams of those holy ones are present there. Thousands, hundred thousands of people visit them daily. That means that their spiritual Tasarruf (spiritual power to act) is still there. And those poisonous ones will sink and go down insha'Allah; here, there and all over the world, wherever they are. Nothing but harm comes from them. It is harmful both for them and for others.

Muslims don't harm. Muslims do goodness, and Allah ﷻ helps them. Whoever makes harm will be harmed himself, and it will be unfortunate. May Allah ﷻ protect us. May they not mess with people's belief and religion. May Allah ﷻ give guidance to them as well.

Wa min Allah at-Tawfiq. Al-Fatiha.
